

Assistant Store Manager (M/W/D)

Have you always wanted to work in a modern and fashion-forward environment as part of a young and dynamic team? You are passionate about sneakers and streetwear with a desire to impress our customers on a regular basis?

Since opening the original store in Berlin in 2002, solebox has become one of the leading retailers for exclusive sneakers and streetwear with seven stores across Europe. In our modern store concepts, we offer the hottest sneaker releases and the latest streetwear from the most exciting brands.

We are looking for an Assistant Store Manager to support our team at solebox Barcelona.

Your Responsibilities

- assist in leading the daily operations of the store
- advise our customers by reflecting the concept and culture of the store
- track the performance of the store
- lead, motivate and develop your team
- assist in recruiting suitable employees for your store
- build and maintain strong relationship with local sneaker and creative community
- coordinate and implement local marketing activities with marketing department

Our Requirements

- completed business management training, ideally in retail
- several years of work experience, preferably with own responsibilities
- enjoy customer service and consultations
- experience in managing and developing staff
- understanding of retail processes
- passion for sneaker and streetwear culture

Have we sparked your interest? Then we are looking forward to receiving your application documents, including your salary expectations and your earliest possible starting date. Take your chance now and become part of our team!
